ELECTION COMMISSION, INDIA

NOTIFICATION

No. 82/36/62. 11th April 1962.—In pursuance of the provisions of sub-section (1) of section 86 of the Representation of the People Act, 1951, the Election Commission hereby publishes a copy of the Election Petition No. 36 of 1962, presented to the Commission on the 7th April 1962, under section 81 of the said Act, by Shri Nakul Chandra Sahis, mauza Bhutam, P.S. Puncha, P.O. Bhutam, district Purulia, calling in question the election to the Legislative Assembly of the State of West Bengal from the Jaipur constituency of that Assembly of Shri Adwaita Mandal, mauza Haludkanali, P.S. and P.O. Ranibundh, district Bankura.

BEFORE THE ELECTION COMMISSION, NEW DELHI

In the Matter of an election petition under the Representation of the People Act, 1951

And

In the Matter of purported election for Jaipur Legislative Assembly Constituency No. 203, Purulia, West Bengal, held on the 21st day of February 1962

And

In the Matter of Nakul Chandra Sahis, residing at mauza Bhutam, P.S. Puncha, P.O. Bhutam in the district of Purulia, Petitioner

versus

(1) Adwaita Mandal, falsely alleged to be a resident of mauza Haludkanali, P.S. and P.O. Ranibundh in the district of Bankura, but actually and ordinarily residing in mauza Sirishgora, P.S. Bandwan in the district of Purulia.

(2) Prahlad Bauri residing at Munsifdanga in the town of Purulia, district Purulia.

(3) Bishnu Charan Das, residing in mauza Nadiara, P.S. Purulia, P.O. Nadiara, in the district of Purulia.

(4) Keshari Rajowar, residing in mauza Dumdum, P.S. Purulia, P.O. Chharra in the district of Purulia.

(5) Jajneswar Das, resident of Alanngidanga, P.O. and P.S. Purulia, Respondents.

The humble petition of the abovenamed petitioner

Most respectfully sheweth:

1. Your petitioner is a citizen of India and a person whose age was at all material times more than 25 years. Your petitioner is an elector as defined in clause (e) of section 2 of the Representation of the People Act, 1951 (hereinafter referred to as the "said Act"), and is not subject to any of the disqualifications mentioned in section 16 of the Representation of the People Act, 1950. Your petitioner's name is duly entered in the electoral roll of the Manbazar Legislative Assembly Constituency in the district of Purulia. Your petitioner possesses all qualifications for membership of the State Legislatures as prescribed by or under the Constitution of India or any law made by the Parliament.

2. On the 21st day of February 1962 the general election of a member of the State Legislature from the seat of the Jaipur Legislative Assembly Constituency (reserved for Scheduled castes), to the West Bengal Legislative Assembly took place.

3. Your petitioner and the respondents were the only contesting candidates for election as a member of the West Bengal Legislative Assembly from the said Constituency. The symbols chosen by and

allotted to your petitioner and the respondents under the Conduct of Election Rules, 1961, framed in exercise of the powers conferred by section 169 of the said Act were as stated hereunder:—

Your petitioner—Two bullocks with yoke on.

Respondent No. 1—By-cycle.

Respondent No. 2 Ears of corn and sickle.

Respondent No. 3—Scales.

Respondent No. 4—Tree.

Respondent No. 5—Flower.

4. On the 26th day of February 1962 the Returning Officer of the said Constituency declared the result of the said election and returned the respondent No. 1 as duly elected. In the return of election and in the final result-sheet as prescribed by the Conduct of Election Rules, 5,324 valid votes were shown to have been polled in favour of your petitioner and 7,853 votes in favour of the respondent No. 1. The respondent No. 1 purported to secure 2,529 votes more than those cast in your petitioner's favour.

5. Your petitioner states that the purported election of the respondent No. 1 is void and liable to be set aside inter alia on the ground that on the date of his election the returned candidate was not qualified, and/or was disqualified, to be chosen to fill the seat under the Constitution of India or the Representation of the People Act, 1962.

Particulars

The seat in the West Bengal Legislative Assembly from the Jaipur Legislative Assembly Constituency No. 203 in the district of Purulia, West Bengal, was reserved under the provisions of Article 332 of the Constitution for the Scheduled Castes as defined or described in Article 341 of the Constitution. In the list of Scheduled Castes contained in the Constitution (Scheduled Caste) Order, 1950, as amended by the Scheduled Castes and Scheduled Tribes Lists (Modification) Order, 1956, issued in pursuance of section 41 of the States Reorganisation Act, 1956, and section 14 of the Bihar and West Bengal (Transfer of Territories) Act, 1956, Sunri (excluding Saha), is not a Scheduled caste in the district of Purulia under the provisions of Article 341 of the Constitution in relation to the State. The respondent No. 1 is ordinarily resident in mauza Sirishgora, P.S. Bandwan in the Bandwan Legislative Assembly Constituency and his name was duly recorded as an elector in Serial No. 4, Part 409 (B) of the Electoral Roll duly prepared for the Bandwan Legislative Assembly Constituency in the district of Purulia; but with the ulterior object of contesting the said election as a member of the Scheduled Castes from the Jaipur Legislative Assembly Constituency No. 203, the respondent No. 1 got his name falsely or fraudulently and illegally recorded or entered in Serial No. 261 of Part 156 in the Supplementary Electoral Roll of the Ranibundh Legislative Assembly Constituency in the district of Bankura though in fact he was not ordinarily resident in the said Constituency in Bankura or a resident in mauza Haludkanali. The respondent No. 1 had fraudulently and in utter breach of the provisions of section 17 of the Representation of the People Act, 1950, caused his name to be entered in the Electoral Roll of the said Ranibundh Legislative Assembly Constituency purporting to show that he being a sunri was a member of the Scheduled Castes in relation to the State of West Bengal, and as such was entitled to contest the election of a member of the State Legislative Assembly from a seat reserved for the Scheduled Castes, though as stated above Sunri is not specified in the Constitution (Scheduled Castes) Order, 1950, as amended by the Scheduled Castes and Tribes Lists (Modification) Order, 1956, to be a Scheduled Caste in the district of Purulia. Your petitioner states that regard being had to the provisions of Article 341 of the Constitution read with the Constitution (Scheduled Castes) Order, 1950, as amended by the Scheduled Castes and Tribes Lists (Modification) Order, 1956, so far as the district of Purulia is concerned, Sunri is not a Scheduled Caste and as such the respondent No. 1 being not a member of any Scheduled Caste mentioned in the said order was not entitled in law or qualified to be chosen to fill a seat in the Legislature of a State reserved for the Scheduled Castes in the district of Purulia. The respondent No. 1 is also disqualified under section 5 of the Representation of the People Act, 1951, and liable to be imposed with penalty under the provisions of Article 193 of the Constitution, for he knows that he is not qualified for membership of the State Legislature from a seat reserved for Scheduled Castes.

6. Your petitioner states that in fact your petitioner received a majority of the valid votes. In any event, but for the votes obtained by the returned candidate (who was and is disqualified as aforesaid) and/or the votes obtained by the returned candidate by corrupt practices, the petitioner would have obtained a majority of the valid votes. In the premises your petitioner prays that your petitioner may be declared to have been duly elected from the said Constituency.

7. Your petitioner has duly deposited in the Reserve Bank of India in favour of the Election Commission a sum of Rs. 2,000 as security for costs of this petition and the relative Government Treasury receipt is enclosed hereto with six attested copies of this petition is required under the Rules.

Your petitioner, therefore, prays that it be determined and declared that the respondent No. 1 Adwaita Mondal was not duly elected or returned, that his election was void, and that your petitioner be declared to have been elected and returned.

And for this your petitioner as in duty bound shall ever pray.

Verification

I, Nakul Chandra Sahis, the petitioner above-named, do hereby declare that the statements in all the paragraphs in the foregoing petition are true to my knowledge.

I sign this verification on the 4th day of April 1962 at No. 59B Chowringhee Road, Calcutta.

NAKUL CHANDRA SAHIS

By order,

K. K. SETHI, Under Secy.

Your petitioner is an elector from the 10 Madarihat Assembly Constituency.

2. In the last General Election held in February 1962 the Madarihat Assembly Constituency of the State of West Bengal was reserved for the Scheduled Tribes in relation to the said Constituency. By a notification in the Official Gazette the electors of the said Constituency were called upon to elect one member to the Legislative Assembly of the State of West Bengal being a member of one of the Scheduled Tribes in relation to the said Constituency mentioned in the Constitution (Scheduled Tribes) Order, 1950.

3. The Munda Tribe is a Scheduled Tribe within the provisions of the said Order throughout the State of West Bengal.

5 Your petitioner as well as the respondents submitted their nominations from the said Constituency for a seat in the Legislative Assembly of the State of West Bengal reserved for the Scheduled Tribes.

6. The respondent No. 1 filed a nomination paper in which he declared inter alia that he was a member of the Munda Tribe. Your petitioner filed an objection to the nomination paper of the respondent No. 1 on the ground inter alia that the aforesaid declaration made by the respondent No. 1 was false and that the respondent No. 1 was not a member of the Munda Tribe or any other Scheduled Tribe at all. The objection of your petitioner was considered by the Returning Officer and was wrongfully rejected by him. The nomination paper of the respondent No. 1 was declared by the Returning Officer to be valid.

(4) Harendranath Brahma	...	1,497
(5) Suleman Lakra	...	657

10. Your petitioner is desirous of challenging the election of the respondent No. 1 as void inter alia upon the grounds and by reason of the fact stated hereinafter. Your petitioner states that your petitioner is a person competent to do so and to present this election petition.

11. Your petitioner states that the respondent No. 1 never was nor is a member of the Munda Tribe of the State of West Bengal or of any other Scheduled Tribe in that State as will appear from the following facts:

(i) The respondent No. 1 is a Christian by religion.

(ii) The respondent No. 1 originally belonged to Nagpur and came to the State of West Bengal only in the year 1934. He has no relations in the State of West Bengal and is also not in any way related to any member of the Munda Tribe.

(iii) In the General Election held in the year 1952 the respondent No. 1 submitted a nomination paper to contest a reserved seat from the Kalchini Constituency (Double Member) as a member of a Scheduled Tribe but his nomination paper was rejected by the Returning Officer concerned on the ground inter alia that he was not a member of any Scheduled Tribe.

(iv) During the General Election held in 1957 the respondent No. 1 contested a seat from Kalchini Assembly Constituency of the State of West Bengal and he did not claim to be a member of any Scheduled Tribe.

(v) The respondent No. 1 does not know nor can speak the Munda dialect.

(vi) The respondent No. 1 was baptised at the St. Francis de Sales' Cathedral, Nagpur and it appears from the Register of Baptism kept in the said Cathedral that the nationality of the respondent No. 1 has been described there to be Anglo Indian.

(vii) Being an Anglo-Indian the respondent No. 1 cannot claim to be a member of a Scheduled Tribe or to contest any seat reserved for Scheduled Tribes.

(viii) The respondent No. 1 as well as the members of his family have always been and still are Anglo-Indians.

12. In the premises your petitioner states that the respondent No. 1 never was nor is qualified to be chosen to fill a seat in the Legislative Assembly of the State of West Bengal reserved for the Scheduled Tribes of that State. On the date of the said election the respondent No. 1 was not qualified to be chosen to fill such a seat. In the premises the election of the respondent No. 1 being the returned candidate should be declared to be void.

13. Your petitioner further states that in fact your petitioner received a majority of the valid votes. In any event but for the votes obtained by the returned candidate by corrupt practices the petitioner would have obtained a majority of the valid votes. In the premises your petitioner prays that he may be declared to have been duly elected at the said election from the said Constituency.

14. Your petitioner has duly deposited a sum of Rs. 2,000 in the Reserved Bank of India in favour of the Election Commission as security for the costs of this petition. The Government Treasury receipt showing such deposit of Rs. 2,000 is enclosed with this petition.

Your petitioner, therefore, humbly prays—

And for this your petitioner as in duty bound shall ever pray.

A. The following corrupt practices have been committed by the said Kanai Lall Dey or his election agent or by other persons with the consent of the said Kanai Lall Dey or his election agent:

Particulars

(i)(a) At various meetings some of which were held on dates and places mentioned in Annexure "A" hereof, the respondent Kanai Lall Dey and/or his election agent and/or his agents and/or his workers and supporters and/or persons who were interested in the said respondent Kanai Lall Dey told the Mohamedan audience that the holy Koran and the Hadis enjoined upon Mohamedans to be loyal to the ruling party and, as such, for a Mohamedan voter to vote for Shri Kanai Lall Dey, the candidate of the ruling Congress Party, was the fulfilling

of an obligation enjoined upon Mohamedans by the holy Koran and the Hadis; that the Communist candidate Mohamed Abdul Latif was an athiest and was opposed to everything which Islam held sacred and to vote for said Mohamed Abdul Latif was anti-Islamic and any Mohamedan voting for him would have the wrath of Allah upon him. The said utterances were made by, inter alia, Haji Mohiuddin, Abdus Sabur and Ekramuddin Molla in the presence of the respondent Kanai Lall Dey and with his consent.

(b) By reason of the aforesaid utterances at the said meetings held by the said respondent Kanai Lall Dey and others as aforesaid, a large number of Mohamedan voters voted for the said respondent Kanai Lall Dey or refrained from voting for the said Mohamed Abdul Latif although they had earlier decided to vote for the said Mohamed Abdul Latif.

(ii)(a) At various meetings some of which were held on dates and places mentioned in Annexure "B" hereof, the Respondent Kanai Lall Dey and/or his election agent and/or his agents and/or his workers and supporters and/or persons who were interested in the said respondent Kanai Lall Dey or other persons told the Hindu audience that the Communist candidate Mohamed Abdul Latif was a Mohamedan and that if Hindu voters voted for the said Mohamed Abdul Latif and returned him to the West Bengal Legislative Assembly the said Mohamed Abdul Latif would create Pakistan in West Bengal by annexing West Bengal to East Pakistan and there would be an end of the Hindu religion. The said utterances were made by, inter alia, Jogeswar Paul, Bimal Kanti Ghose, Satish Kundu in the presence of the respondent Kanai Lall Dey and with his consent.

(b) By reason of the aforesaid utterances many Hindu voters refrained from voting for the said Mohamed Abdul Latif.

(iii)(a) At a group meeting held on or about 14th February 1962 at about 4 p.m. in the village Aniya (Dudkanara) within the said Constituency the said respondent Kanai Lall Dey and/or his agents and/or other persons who were interested in the said respondent Kanai Lall Dey, namely, inter alia, Abdus Sabur, Balai Chand Gangopadhya and Keshtodhan Chandra threatened the Mohamedan voters of the said village that unless they voted for the Congress candidate the respondent Kanai Lall Dey, they would be dealt with very harshly by the ruling Congress Party and that the Hindu land owners whose land they cultivated as share-croppers would take away the land from them. The said Balai Chand Gangopadhya was a big owner of land and many of the said Mohammedan voters cultivated his land as share-croppers. The aforesaid threat was made by, inter alia, the said Abdus Sabur and Balai Chand Gangopadhya in the presence of the respondent Kanai Lall Dey and with his consent.

(b) The aforesaid threat induced many Mohamedan voters of the said village (Aniya, Dudkanara) to refrain from voting for the said Communist candidate Mohamed Abdul Latif, although they had earlier decided to do so.

(iv)(a) On or about 11th February 1962 at about 6-30 p.m. at a group meeting held in the outer house of one Jobed Ali of village Kumirmora within the said Constituency, the respondent Kanai Lall Dey handed over to Jogeswar Paul of village Ramanathpur and Ekramuddin Molla of village Jalamadal both villages being in the Nawabpur-Kumirmora Union within the said Constituency, Rs. 2,000 to repair the tube-well in front of the mosque situated in the Dakshinpara of village Kumirmora within the said Constituency and to purchase furniture for the local Primary School located in the Dakshinpara of the said Kumirmorah village and to spend the balance of the said sum of Rs. 2,000 to bribe the voters of the said Kumirmora village, all the disbursements having as their object the inducing of the voters of the said village to vote for the respondent Kanai Lall Dey. The said tube-well has actually been repaired and the furniture of the said school has in fact been purchased with a portion of the said sum of Rs. 2,000. The said Jogeswar Paul and Ekramuddin Molla were active Congress workers.

(b) By reason of the aforesaid bribery a large number of voters of the said Kumirmora village voted against the Communist candidate Mohamed Abdul Latif and for the respondent Kanai Lall Dey, although they were earlier inclined to vote for the said Mohamed Abdul Latif.

(v)(a) On or about 18th February 1962 at about 6 p.m. the respondent Kanai Lall Dey and/or his agents and/or his workers and supporters paid at village Mukundpur within the said Constituency through one Salamatullah of village Furfura and an employee of the Calcutta Corporation, Rs. 90 to one Satish Karmakar of the said village Mukundpur to purchase furniture for the local Primary School on the stipulation that the said Satish Karmakar would induce the voters of the said Mukundpur village to vote against the Communist candidate and for the respondent Kanai Lall Dey.

(b) As a result of the aforesaid bribery a large number of voters of the said Mukundpur village who had earlier decided to vote for the Communist candidate Mohamed Abdul Latif refrained from voting for the said Communist candidate and voted for the respondent Kanai Lall Dey.

B. Corrupt practices have been committed in the interest of the returned candidate the said respondent Kanai Lall Dey by agents other than his election agent or persons acting with the consent of the said candidate or election agent:

Particulars

(i)(a) Mohamed Abdul Kaiyum of village Bandhpur within the said Constituency, who was an active supporter of the Congress candidate and a former Zamindar exercising power and influence over the inhabitants of the said village threatened the voters of the said village that unless they voted for the Congress candidate, the respondent Kanai Lall Dey, all lands belonging to the said Mohamed Abdul Kaiyum and cultivated by a large number of voters of said village as share-croppers would be taken away from them and they would not be allowed to live in the village.

(b) By reason of the aforesaid threat many voters of the said village voted for the respondent Kanai Lall Dey thereby materially affecting the result of the election in so far as it concerns the returned candidate.

(ii)(a) Kazi Mommenal Haque, son-in-law of the aforesaid Mohamed Abdul Kaiyum and a counting agent of the Respondent Kanai Lall Dey, residing at Bandhpur (Chandbati) within the said Constituency widely circulated in the said village, free of cost, a booklet in the Bengali language entitled "Communism through the Eye of Islam" "ইসলামের দৃষ্টিতে কম্যুনিজম" purported to be written by one Taybul Haque, Secretary, West Bengal Mutwalli Association, in which Communism was depicted as the enemy of Islam and Mohamedan voters were exhorted to uproot Communism from the soil of the country through the weapon of the ballot papers in the coming General Election. The said booklet is annexed hereto and is marked with the letter *"C".

(b) The said booklet and its distribution by the aforesaid Kazi Momenal Haque had a great impact on the minds of the Mohamedan voters and induced them to vote for the respondent Kanai Lall Dey thereby materially affecting the result of the election in so far as it concerned the returned candidate.

(iii) The agents and/or workers and/or supporters acting for the said respondent Kanai Lall Dey or for his benefit hired or procured whether on payment or otherwise vehicles including jeeps, lorries, cycle rikshaws for the conveyance of the electors (other than said Kanai Lall Dey or members of his family or his agent) to and from the Polling Stations fixed for the purpose of polling on the day of polling, i.e., 19th February 1962, thereby materially affecting the result of the election in so far as it concerns the returned candidate.

Your petitioner craves leave to furnish particulars at the time of hearing.

*Not published.

C. There have been the following non-compliances with the provisions of the Constitution and/or the Representation of the People Act, 1951, and/or Rules or Orders made thereunder materially affecting thereby the result of the election in so far as it concerned the returned candidate.

Particulars

(i)(a) The Polling Station No. 22-152/51 which was shown in the list showing the Polling Stations of the said Constituency published in accordance with the provisions of law, as located in Dudkalmi U. P. School, Dudkalmi, a village which was sympathetic to the Communist candidate, to Chakkrishtorampur U. P. School, Chakkrishtorampur which was a stronghold of the Congress party and which was about a mile in distance from the said Dudkalmi village. The said transfer was made on the day of the Polling and no intimation and/or notice of the said transfer was given either to the Communist candidate and/or his Election Agent and/or to the voters who were entitled to vote at the said Polling Station.

(b) By reason of the said illegal transfer a large number of voters entitled to vote at the said Polling Station, in particular the voters belonging to the village Gururiponta who were sympathetic to the Communist candidate could not exercise their electoral right.

(ii)(a) The Polling Stations Nos. 22-152/71 and 22-152/72, both located at Ramanathpur Senior Basic School, Ramanathpur, were closed by the Presiding Officers concerned for half an hour each between 12-30 p.m. and 1 p.m. The said closure was contrary to the hours fixed and published for taking the poll, i.e., from 7-30 a.m. to 4-30 p.m. without any closure or break.

(b) As a result of the aforesaid illegal closure a large number of voters who were entitled to vote at the said Polling Stations and who came to vote to the said Polling Stations and were standing in the queue and the voters who came between 12-30 p.m. and 1 p.m., and in particular Mohamedan female voters, could not exercise their electoral right.

(iii) The ballot box of the Polling Station No. 22-152/57 was found on being opened at the counting table at the time of counting to have no inner seal to secure it. The counting agent of the Communist candidate objected to the counting of the said ballot box on the ground of its having no inner seal to secure it.

(iv) The ballot box of the Polling Station No. 22-152/43 was brought to the counting table at the time of counting in an unlocked condition with the lid loose. The counting Agent of the Communist candidate objected to the counting of the said ballot box on the ground of its said condition.

(v) The date on which the respondent Kanai Lall Dey was declared to be elected to the West Bengal Legislative Assembly was 28th February 1962 at 12-30 a.m. and not 27th February 1962 as in erroneously recorded by the Returning Officer in Form 21.

9. If necessary, your petitioner will furnish further details and give better particulars in respect of the statements made in the various paragraphs hereinabove after discovery and inspection or if required at the time of hearing.

10. In the aforesaid facts and circumstances your petitioner states that the election of the respondent Kanai Lall Dey should be declared void and/or the said entire election be declared to be wholly void.

11. Your petitioner has deposited a sum of Rs. 2,000 with the Reserve Bank of India at Calcutta in favour of the Election Commission as security for the costs of this petition and the said Reserve Bank of India—Receipt of the said deposit is annexed herewith.

Your petitioner, therefore, prays –

(a) that it may be declared that the Election of the respondent Kanai Lall Dey in the last General Election held in February 1962 from 152—Chanditola Assembly Constituency to the West Bengal Legislative Assembly is void;

(b) if necessary, it may be declared that the said Election is wholly void;

(c) that costs of and incidental to the petition be awarded against the said respondent;

(d) such other order and directions be given as to the Election Commission seems fit and proper.

And your petitioner as in duty bound shall ever pray.

NOTIFICATION

No. 82/110/62.—In pursuance of the provisions of sub-section (1) of section 86 of the Representation of the People Act, 1951, the Election Commission hereby publishes a copy of the Election Petition No. 110 of 1962, presented to the Commission on the 10th April 1962, under section 81 of the said Act, by Shri Ajit Kumar Basu, resident of Bara, police-station Singur, district Hooghly, West Bengal, calling in question the election to the Legislative Assembly of the State of West Bengal from the Singur Constituency of that Assembly of Shri Pravakar Pal, Madhya Hijla, police-station Singur, district Hooghly, West Bengal.

To

The Election Commission, India,

Aurangzeb Road, New Delhi.

Election Petition No. 110 of 1962.

In the matter of an Election Petition under the Part VI of the Representation of the Peoples Act, 1951 (Act 43 of 1951).

And

In the matter of calling in question the election to the West Bengal Legislative Assembly from Singur Assembly Constitutency in the district of Hooghly in West Bengal held on the 21st day of February 1962, the result having been declared on the 26th day of February 1962.

And

In the matter of Ajit Kumar Basu, son of late Amulya Charan Basu, residing at Bara within the jurisdiction of police-station Singur in the district of Hooghly, Petitioner.

versus

(1) Pravakar Paul, residing at Madhya Hijli, police-station Singur, district Hooghly.

(2) Ajit Kumar Bhattacharya, residing at Bisweswarbati, police-station Singur, district Hooghly, Respondents.

The humble petition of the petitioner abovenamed.

Most respectfully sheweth:

1. That your petitioner was an elector of Singur, West Bengal Legislative Assembly Constituency in the district of Hooghly, being voter in Serial Number 1 of mauza Bara-Kamalapur, Part No. 412 of the Electoral Roll of Singur Constituency and was a duly nominated contesting candidate for election to the West Bengal Legislative Assembly from Singur Assembly Constituency during the last General Elections.

2. That the respondent was the other candidate who contested the said election to the West Bengal Legislative Assemly from Singur Asemblys Constituency and was declared duly elected by the Returning Officer on the 26th day of February 1962, the Polling having taken place on the 21st day of February 1962. Your petitioner secured 28,822 votes and the respondent No. 1 Shri Pravakar Pal secured 28,853 votes according to the declaration made by the Returning Officer. According to the Returning Officer, the respondent No. 1 secured only 31 votes more than your petitioner.

3. That the respondent No. 2 was the third candidate for election to the West Bengal Legislative Assembly from the said Singur Constituency, but he withdrew his candidature by a notice in writing to the Returning Officer in accordance with the provisions of section 37 of the Representation of the People Act, 1951, within the prescribed time. There was no other candidate.

4. That the respondent No. 1 was the candidate of the Congress Party and his symbol "Two bullocks with yoke on". Your petitioner was the candidate of the Communist Party and his symbol was "Ears of Corn and sickle".

5. That the election of the returned candidate, the aforesaid respondent No. 1, is void and invalid on the ground that very serious corrupt practices were committed by the respondent No. 1 who personally appealed extensively to vote for himself on the ground of the caste and/or community of respondent No. 1. The respondent No. 1 also appealed extensively to refrain from voting for your petitioner on the ground of his caste, as your petitioner was born in a Kayastha family and is not a Mahisya by caste.

6. That the respondent No. 1 is a Mahisya by caste and within the Constituency, there are several thousands of electors who are Mahisyas by caste. In fact, there are many villages and localities within the Singur Assembly Constituency which are almost exclusively inhabited by Mahisyas. Your petitioner is not a Mahisya but comes of a Kayastha family.

7. That repeatedly and in many meetings, the repondent No. 1 himself made fervent appeals to vote for him on the ground of his caste and to refrain from voting for your petitioner on the ground of his (petitioner's) caste and thereby committed corrupt practice. Particulars of a few such cases of appeal on that ground are given below and your petitioner prays for leave to supply more particulars later on.

8. That a public meeting was held on the 26th day of January 1962 at about 4 p.m. at the Borai South School compound within the Singur Assembly Constituency. The respondent No. 1 was one of the speakers in that meeting. The overwhelming majority of the population of that locality consisted of Mahisyas. The respondent No. 1 in his address spoke inter alia:

> To you Mahisyas, I say that I am a Mahisya and I appeal that all Mahisyas should vote for me.

Some people present in the meeting asked: You are a Congress Candidate. If one does not approve of the policies and practices of the Congress, how could he vote for you even though he may be a Mahisya?

At this the respondent No. 1 said that it was practically impossible to win an election without joining a party. Congress was the ruling party and therefore he had joined it. Although a Congress

M.L.A. has tried to do his bit for the Mahisyas. He was a Mahisya first, a Congressman next. Would the audience not vote for him even when they saw that the defeat of their Jatbhai (caste-brother) was almost certain, at the hands of a Kayet (Kayastha), unless Mahisyas voted en block for him. He made this appeal repeatedly to the audience who were practically all Mahisyas. A copy of an affidavit sworn by Shri Bhim Chandra Das of Pahalampur village is annexed herewith and marked *Annexure "A" to this petition and a copy of the leaflet announcing the aforesaid meeting is annexed herewith and marked *Annexure "A" for reference at the hearing. These will support the statement made in this paragraph.

9. That in the village Dewanbhari at Dewanbhari Purbapara Shibtola another public meeting was held on the 29th day of January, 1962 at about 4 p.m. Here too, the respondent No. 1 was one of the speakers and this locality also was predominantly inhabited by Mahisyas. In this meeting, the respondent No. 1 personally appealed to the audience consisting almost entirely of Mahisyas, to vote for him on the ground of his caste and to refrain from voting for the petitioner on the ground of his caste. He said that he had taken the label of the Congress Party in order to secure the votes of the non-Mahisyas because he could never expect to win only on the strength of the votes of the Mahisyas; but if on that ground Mahisyas themselves did not vote for him, there would be terrible disaster to the Mahisyas. All Mahisya votes for the Mahisya candidate -this was the slogan for all Mahisya villagers. So he said, not a single Mahisva vote must go to Ajit Babu (meaning your petitioner), who was a Kayet. In order to substantiate this, a copy of an affidavit sworn by Shri Kartik Chandra Barui is annexed herewith and marked *Annexure "B" and a copy of a leaflet announcing this meeting is annexed herewith and marked *Annexure B, for reference at the hearing.

10. That in a public meeting held under the auspices of the Hooghly District Congress Committee at Singur Bazar within the Singur Assembly Constituency on the 16th day of Februarv 1962 at 6 p.m., the respondent No. 1 himself made an appeal to vote for him on the ground of his religion and to refrain from voting for your petitioner on the ground of religion, for protecting the religion- Hindu as well as Muslim religion. The burden of his theme was:

> Ajit Babu is a Communist and is determined to destroy all religions. To vote for Ajit Babu is to go against God and religion.

In support of his appeal, he quoted copiously from a pamphlet published by Shri Benoy Ray of the Publicity Sub-Committee of West Bengal State Congress Committee. A copy of that pamphlet is annexed herewith and marked *Annexure "C" to this petition for reference at the hearing. Extracts from this pamphlet were read to the audience by respondent No. 1. This pamphlet was widely distributed in that meeting and throughout the Constituency on various dates for the purpose of this election by the respondent No. 1 and by his workers and agents with his consent and under his direction. This pamphlet contained a clear appeal to vote and to refrain from voting on the ground of religion and distribution thereof by the respondent No. 1 by his workers and agents was an appeal to vote for him on the ground of his religion and to refrain from voting for your petitioner on that ground.

11. That innumerable other meetings were held and many other posters, pamphlets and leaflets were issued which showed the resort to corrupt practice by and at the instance of the respondent No. 1, the particulars whereof would be supplied later on in course of the trial subject to the leave to the Tribunal. At the meeting at Singur Bazar particularly referred to in paragraph 10 above as well as in the other meetings, the respondent No. 1 as well as his workers and agents exercised undue influence on and interfered with the free exercise of the electoral rights of the electors by calling upon them to destroy Communist Party from the political field by making use of the ballot paper and invoking divine displeasure on Communist and Communism, by distributing and quoting from pamphlet Annexure "C" and other pamphlets. Further particulars will be given subsequently provided leave is granted by the Tribunal.

12. That the results of the election were materially affected by serious illegalities and or irregularities in the matter of and during the counting of votes. Firstly, at the counting tables what was done this year was mere sorting out of ballot papers for the Lok Sabha those for the State Assembly. The scrutiny of ballot papers could not possibly be made at those counting tables. But the counting agents of your petitioner were directed by the Returning Officer to remain at one or other of those counting tables while none was allowed to remain present at the table where the Returning Officer sat with a few selected assistants to scrutinise the ballot papers to reject ballot papers and to count ballot papers for respective candidates. In the result neither your petitioner nor election agent nor any counting agent was allowed to be present at the time of actual counting and the provisions of section 64 were grossly violated. The fact that during the election on this occasion, every ballot box and every ballot paper contained the names/symbols of rival candidates was completely lost sight of and the arrangement for counting was so made that actually the right conferred by section 64 of the Representation of People Act, 1951, on the petitioner and his counting agents to be present at the time of counting was totally denied and in fact, there was no counting in accordance with the law and the rules.

13. That, secondly, during the progress of the counting at the counting tables where sorting out of ballot papers was going on, the counting agents of your petitioner were not even always allowed to check up the first number and last number of ballot papers issued at a particular booth, when the ballot box or boxes concerned were opened. Still it appears to the counting agents that in respect of some polling booths, the number of ballot papers for Loke Sabha differed from those for State Legislature but when counting agents tried to check up, they were not allowed to do so.

14. That, thirdly, there was a larger number of ballot papers containing clear thumb-impressions by which the respective electors could be identified. But your petitioner or his counting agents did not

*Not published.

:t any opportunity to closely examine them or to ike their numbers; the Returning Officer however ought that ballot papers with those thumb-npressions were alright and refused to scrutinise iem or to reject them, or to allow any opportunity the counting agents to take their number or check iem up. These ballot papers with thumb-npressions were counted as valid votes.

15. That fourthly, there were a number of ballot pers which seemed to be of a different design, size id special mark than the ballot papers authorised the booth, but there was no opportunity to amine them closely.

16. That lastly an inspection and examination of e ballot papers would disclose that there were many such ballot papers which should have been rejected, but there was no counting according to the law and the rules with proper opportunity to the petitioner and his counting agents to be present at the time of counting and the counting was illegal and materially effected the results of the election.

17. That votes of many electors who were dead before the date of polling were falsely recorded at the instance of the respondent No. 1 or his workers who made the manipulation with the hope that the impersonators would vote for the respondent No. 1. A list of 7 dead persons where votes have been recorded are given herein below and many more such particulars of such dead persons may be supplied later during the trial of the election petition.

Mauza and part of Electoral Roll.	Voter No., name and age.

Polling Booth II—Polling Booth at Madhya Hijla.	
6. Madhya Hjla, Part No. .	Dasarathi Adak, .
7. Madhya Hijla, Part No. .	Santosh Das, .

18. That the result of the election so far as spondent No. 1 is concerned is materially effected non-compliance with the provisions of the nstitution and/or of the Representation of the ople Act, 1951, and/or of the rules and/or ders framed thereunder. A few instances of these n-compliances which are numerous are given low:

(i) In Khosalpur Polling Booth, the respondent No. 1 and his workers and supporters started a row at about 2-30 p.m. to the effect that votes were being manipulated by the other side (meaning the petitioner). The respondent No. 1 raised a false cry that some of the staff helping the Presiding Officer, if not the Presiding Officer was helping the Communists and instigated his men to prevent the same, knowing that the allegation was totally false. In the presence of respondent No. 1 and under his instigation his men threatened the officers inside the Polling Booth and the intending voters who had assembled outside. Threat of physical voilance was given to the intending voters by the supporters of the respondent No. 1. The visible signs of riot and violance on a fairly big scale and the Presiding Officer closed the door of the School from inside and adjourned the Polling after sending an information to the Police who were in a centre not very far from the Polling Booth. The polling remained stopped for about an hour roughly from 3 p.m. to 4 p.m. A large number of intending voters who had assembled, left out of fear. The Presiding Officer, however, contrary to the provisions of section 57 of the Act started the Polling again shortly after 4 p.m. in violation of the provisions of the law and the rules.

(ii) In Gandarpukur Polling Booth, also, at about 1 p.m., the respondent No. 1, his supporters and workers created a riotous situation outside the Polling Booth, destroyed the camp of the petitioner and threatened voters who had lined up there that if they remained there, their life would be in jeopardy. The Presiding Officer finding the riotous situation outside and failing to prusuade the respondent No. 1 and his men to stop the vandaliam adjourned the polling and closed the entrance to the Booth whereupon the intending voters left. Then after about an hour, the Presiding Officer in violation of the provisions of the Act and the rules announced the polling would be resumed that very day and started taking votes again. Your petitioner and his men tried to send information to voters and some voters actually turned up again and voted but the bulk of the voters who had left did not return to cast their votes and the results of the election were materially affected. It was clear that both in Gandarpukur and Khosalpur, the respondent No. 1 had planned from before to have votes in his favour cast in the morning to create riot in the afternoon so that voters in favour of the petitioner might not cast their votes.

(iii) Meny of the electors were recorded as voters in more than one booth, say in one booth as resident and in another booth as carrying on business in a market within the jurisdiction of such booth. There were a large number of such persons who were recorded as voters in more than one place and they exercised their franchise in more than one booth in violation of the

provisions of the Act and the Rules. One of the two votes cast by these voters was illegal but had been illegally received and the results of the election had been materially affected thereby. Shri Sudhansu Dey Kaviraj and Shri Charu Dey Kaviraj are two such persons who exercised more than one vote illegally. They cast their vote both at Molla-Simla Booth in Nasibpur Anchal and Pahalampur Booth in Borai-Pahalampur Anchal. In the Electoral Roll of mauza Pahalampur, Part 388 their Serial No. was 60 and 22, respectively. Your petitioner craves for leave to submit more such names in course of the progress of the proceeding.

(iv) At Chhuttipur Booth, in contravention of the provisions of the Act and the Rules, the supporters of the respondent No. 1 took a procession with a motor vehicle (W.G.H. 4619), bedecked with national flags almost in front of the said Polling Booth and clearly within 100 yards of the Polling Booth, and actually went in front of the said booth. Again Motor vehicle (W.G.B. 3943) was taken near the Polling Booth (clearly within 100 yards) and one volunteer of the petitioner was injured by this vehicle at that time almost in front of the Booth. This was brought to the notice of the policemen present at the spot but no action was taken.

(v) During counting a large number of ballot papers where votes were cast in favour of the petitioner were illegally and improperly rejected while ballot papers with similar condition and mark casting votes in favour of respondent No. 1 were illegally and improperly accepted. The vast bulk of ballot papers could not be seen or examined at the time of counting, although there were innumerable such cases. Specific objections were however taken in respect of a few ballot papers namely ballot papers No. 160258, 121479, 115881, 109850, 101791, 155194, 130398, 130616, 132298, 171787, 151531, 168487, 168059, 168358 134498, 125783, 174569, 118304, 120343, 112085, 112527, 112524, 10457, 112524, 1501526, 152260, 150126, 170856, 170731, 160258, 167676, 172939, 149173, 121479, 171114, 170856, 101086, 119918, 111661, 111600, 111818, 111375, 101546, 101122, 110719, 110716, and many other ballot papers.

19. That in spite of all these and other very serious illegalities and irregularities, after the counting of the votes in ballot boxes was over, the Returning Officer said that your petitioner was leading over the respondent No. 1 by 56 votes. Thereafter some postal ballot papers were brought in. The number of these postal ballot papers were 105, out of these 22 were rejected by the Returning Officer and the remaining 83 were declared to be valid votes in favour of respondent No. 1. Your petitioner prayed for cancellation of many of the postal ballot papers declared valid and for a recounting. The Returning Officer rejected the prayer for cancellation of these postal ballot papers and made only a formal recounting as to whether there was mistake in adding up the totals but rejected the prayer for recounting in so far as it meant checking up ballot papers to find out whether they were improperly accepted or improperly rejected. After this so-called formal recounting the Returning Officer declared that the respondent No. 1 had got 31 votes more than these obtained by your petitioner. The acceptance of the 83 postal ballot papers and the rejection of the 22 postal ballot papers were however illegal and improper for the following among other reasons:

(i) 51 out of the 83 postal ballot papers declared valid votes in favour of respondent No. 1 did not comply with the instructions contained in Part I and Part II of Form 13D and hence these postal ballot papers were improperly accepted. On the covers of all these 51 postal ballot papers, the full signature of the voter or even any short signature of the voter was not there in the space provided on the cover marked "B". What happened obviously was that the votes in these cases were not cast secretly by the voters concerned; but instead, the ballot papers were made over to respondent No. 1 or his men who got the vote recorded and then took the papers to different officers for attestation and after attestation, themselves sent them to the Returning Officer. These votes do not appear to have been freely cast, by the respective voters. Objections were made to the Returning Officer but he dismissed the objection.

(ii) The remaining votes declared to be valid votes in favour of respondent No. 1 did not also appear to be valid votes inasmuch as these and other ballot papers did not appear to have reached the Returning Officer in time.

(iii) Of the rejected postal votes, most of the votes were in favour of the petitioner as far as the petitioner remembers, but they were rejected improperly and illegally.

(iv) All the persons voting by postal ballot paper did not comply with rules 24, 27, and other rules. All persons to whom postal ballot papers were sent were not eligible to vote by postal ballot of postal ballot vote was not maintained. The respondent No. 1 exercised his influence as Member of the District School Board and its Sub-Committee to influence teacher voters.

20. That in these circumstances, the results of the election so far as the respondent No. 1 is concerned was materially affected on the ground of reception of void votes, improper and illegal acceptance of invalid votes, improper and illegal rejection of valid votes and contravention of the provisions of the Act and the Rules. Your petitioner submits that but for the votes obtained by respondent No. 1 by corrupt practices, the petitioner would have obtained a huge majority of valid votes and that in spite of all that your petitioner did in fact receive a majority of the valid votes.

21. That a counting of the ballot papers including the postal ballot papers may be made and on such examination it would be abundantly clear that the respondent No. 1 was illegally and improperly declared elected and that the election of respondent No. 1 is void on these grounds as well as on the grounds of corrupt practices.

22. That your petitioner is annexing hereto the relevant document showing that a deposit of Rs. 2,000 (two thousand) only has been duly made in favour of the Election Commission as security for costs of this petition as contemplated under section 117 of the Representation of the People Act, 1951. An affidavit by Shri Ashutosh Pal is annexed herewith and marked *Annexure "D" for reference at the hearing. An affidavit by your petitioner is annexed herewith and marked Annexure "E" for reference at the hearing.

23. That your petitioner therefore humbly prays for an order—

(a) for appointment of an Election Tribunal for hearing this petition,

(b) for a declaration that the election of the returned candidate, the respondent No. 1, is void,

(c) for a declaration that the election of the respondent No. 1 is void and that the petitioner has been duly elected,

(d) such other or further order or orders as to this Tribunal may seem fit and proper.

And your petitioner, as in duty bound, shall ever pray.

Election Petition No. 140 of 1962

To THE ELECTION COMMISSION, INDIA,

1 Aurangzeb Road,
New Delhi.

In the matter of an election petition under the Representation of the People Act, 1951 (Act 43 of 1951)

And

In the matter of calling into the question the Election held in February 1962 for filling a seat in the West Bengal Legislative Assembly from 50 – Kandi Assembly Constituency and declaring the election of Kumar Jagadish Chandra Sinha as the returned candidate from the said Constituency to be void and further declaring that Amalendra Lal Roy has been duly elected to fill the seat in the West Bengal Legislative Assembly from 50 Kandi Assembly Constituency

And

In the matter of Amalendra Lal Roy, son of Shashi Lal Roy, of Kandi, post office and police-station Kandi, district Murshidabad, West Bengal, Petitioner.

versus

Kumar Jagadish Chandra Sinha, son of late Birendra Chandra Sinha, of Kandi Rajbati, post office and police-station Kandi, district Murshidabad, West Bengal, Respondent.

The humble petition of the aforesaid petitioner,

Most respectfully sheweth:

(1) That your petitioner is a voter in the 50—Kandi Assembly Constituency and his name appears in the Electoral Roll maintained for the said 50 Kandi Assembly Constituency in Part 60, Serial No. 8, as finally published and that your petitioner offered himself as a candidate for election to fill a seat in the West Bengal Legislative Assembly from the said Constituency held on 20th February 1962.

(2) That the aforesaid respondent also offered himself as a candidate for a seat in the West Bengal Legislative Assembly from the same Constituency and was illegally declared as duly elected to fill the seat in the above Constituency by Shri N. K. Saha, Returning Officer of the said Constituency, on the 27th of February 1962.

(3) That on the 27th of February 1962 the date appointed for the counting of votes in the said 50—Kandi Assembly Constituency, after the completion of the counting of votes polled by this petitioner and the abovenamed respondent, the aforesaid

Returning Officer recorded in the Result-sheet in Form 20, the total number of votes polled by each candidate and announced the same, after which Shri Suhas Das, election agent of this petitioner, applied in writing to the said Returning Officer for a recount of all the ballot papers already counted, stating the grounds on which he demanded such recount (certified copy of the petition is filed herewith marked as Annexure A).

(4) That the said Returning Officer illegally rejected the prayer for recounting made at the appropriate time as required by rule 63(3) of the Conduct of Election Rules, 1961, on grounds which are bad both in facts as well as in law and assigned such reasons for this rejection which contravene the provisions of rule 63 of the Conduct of Election Rules, 1961, which deal with the "Recount of Votes".

That rule 63(1) of the Conduct of Election Rules, 1961, clearly lays down that a candidate or his election agent may apply in writing for a recount of all or any of the ballot papers already counted only after the completion of counting and the announcement of the total number of votes polled by each candidate by the Returning Officer and that the prayer of the election agent of this petitioner for recount was made in accordance with the provisions of the relevant rule.

That neither the Representation of the People Act, 1951, nor the Conduct of Election Rules, 1961, gives to any candidate, or his Election Agent, or counting agents any right or scope to raise any objection about the results of counting, or to demand a recount of all or any of the ballot papers already counted, at any earlier stage of counting of the ballot papers in any election, for any Assembly or Parliamentary Constituency before the completion of the counting of votes recorded in all the ballot papers, the recording in the result-sheet in Form 20 of the total number of votes polled by each candidate and the announcement of the same by the Returning Officer.

That the failure of this petitioner and his election agent to raise any objection at earlier stages of counting on the 27th of February 1962, the appointed date for counting of votes for the said 50- Kandi Assembly Constituency, and the fact that the application for recount was made on that date by the election agent of this petitioner only after the completion of the counting of all the ballot papers and announcements of the aggregated total of votes polled by each candidate, were assigned by the Returning Officer as the reasons for finding the prayer for recount as being unreasonable.

(A certified copy of the order passed by the Returning Officer on the application of Shri Suhas Das, Election Agent of this petitioner, on 27th February 1962 at 4-15 p.m. is attached herewith marked as Annexure B.)

(5) That the counting of votes for the said 50 - Kandi Assembly Constituency started at 9 a.m. on 27th February 1962 and was completed at about 3-20 p.m. That 42,746 ballot papers (including 42,614 votes recorded at polling stations and 132 ballot papers sent by post) were scrutinised and counted within a very short period of six hours and 20 minutes (i.e., from 9 a.m. to 3-20 p.m.) very hurriedly without giving this petitioner and his counting agents sufficient opportunities of following the scrutiny and rejection of ballot papers and reception and counting of valid ballot papers and without leaving any time and scope for making objections regarding irregularities and illegalities committed during the very hurried procedure of counting.

(6) That the Returning Officer erred in law in following the procedure laid down in rule 56A of the Conduct of Election Rules, 1961, which is applicable only to the scrutiny and rejection of ballot papers in the counting of votes at notified polling stations under rule 59 of the said Rules, but is not applicable to the scrutiny and rejection of ballot papers in the present case.

(7) That the procedure adopted by the Returning Officer resulted in the improper reception, refusal or rejection of votes and reception of votes which are void, materially affecting the result of the election

That if the votes are recounted and the validity of ballot papers is scrutinised legally and properly this petitioner will be found to have secured greater number of votes than the abovementioned respondent and will be found to have been duly elected to fill the seat in the Kandi Assembly Constituency.

(8) That excluding the postal ballot papers this petitioner is recorded to have polled 20,286 votes and the respondent 20,297 votes and there was thus a difference of very small margin of votes numbering only 11 (eleven) between this petitioner and the respondent in respect of votes recorded at polling stations. That the observation made by the Returning Officer ". . . . . The margin between the candidates is not narrow inasmuch as there is a difference of 94 votes . . . . ." is not substantially correct, because the number of votes recorded by postal ballots as well as the recorded overall difference of 94 votes between the petitioner and the respondent is only a fractional percentage of the total number of votes polled.

(9) That after the rejection of the prayer of recount and the passing of his order on it at 4-15 p.m. the said Returning Officer completed and signed the Final Result-sheet in Form 20 and there after illegally declared the abovementioned respondent as duly elected to fill the seat in the West Bengal Legislative Assembly from the 50- Kandi Assembly Constituency.

(A certified copy of the declaration of election to the West Bengal Legislative Assembly 50 - Kandi Assembly Constituency, is filed herewith marked as Annexure C.)

(10) That the voting in the election for the 50 Kandi Assembly Constituency was very close as between this petitioner and the respondent inasmuch as the respondent is recorded to have won by a very narrow margin of votes and that there are as set forth above good grounds to believe that the counting of the ballot papers was not in order and that the final figures as noted by the Returning Officer have been affected by miscount on his part and that it is therefore highly desirable to have a recount in this case for the ends of justice.

(11) That the abovenamed respondent fought the election in the 50—Kandi Assembly Constituency as a Congress candidate with "Two bullocks with yoke on" as his election symbol.

That this petitioner fought the election in the same Constituency as a candidate sponsored by the Revolutionary Socialist Party, known in abbreviation as R.S.P., with "Spade and Stoker" as his election symbol. He is also the Secretary to the Murshidabad District Committee of R.S.P.

(12) That the respondent filed 4 (four) nomination papers one of which was proposed by Shri Madan Sinha, a resident of Kandi, one of the Secretaries of the Murshidabad District Congress Committee, and a prominent leader of Kandi Congress, as also the editor of the Weekly newspaper "Amader Patrika" (আমাদের পত্রিকা) published from Kandi having considerable circulation in the Kandi Assembly Constituency.

That the said Madan Sinha is not only a member of the Congress organisation in Kandi, he was as such very intimately and actively connected with the conduct of the election campaign of the respondent and with the carrying on propaganda in the 50 - Kandi Assembly Constituency, for furthering the latter's election prospects and candidature and against the candidature of this petitioner and against his party, the Revolutionary Socialist Party, i.e., R.S.P.

That the said Madan Sinha canvassed votes on behalf of the Respondent and published propaganda materials in favour of his candidature through the said Weekly paper "Amader Patrika"(আমাদের পত্রিকা)

(13) That at page 3 of the said "Amader Patrika", dated 24th Magh 1368 B.S., corresponding to 7th February 1962, the following publication was made by the aforesaid Madan Sinha with the consent of the respondent, viz.:—

That the aforesaid publication constitutes an appeal by the said Madan Sinha with the consent of the respondent to vote for the latter and to refrain from voting for this petitioner by a reference to "National Symbols" such as the "National Flag" for the furtherance of the prospects of the election of the respondent and for prejudicially affecting the election of this petitioner. As such it comes within the purview of "Corrupt Practices" as defined in section 123(3) of the Representation of the People Act, 1951 (Act 43 of 1951), and is therefore sufficient to make the election of the respondent void.

That the aforesaid publication is also a statement of fact which is false and which the said Madan Sinha believes to be false and does not believe to be true, in relation to the personal character and conduct of this petitioner reasonably calculated to prejudice the prospects of this petitioner's election and comes with the purview of "Corrupt Practices" as defined in section 123(3) of the Representation of People Act, 1951 (Act 43 of 1951), and is as such sufficient to make the election of the respondent void.

That this publication is a statement of fact, in relation to the personal character or conduct of this petitioner and his candidature, which is false and which the said Madan Sinha believes to be false and which he does not believe to be true, and has materially prejudiced the prospects of this petitioner's election.

That the said publication comes within the mischief of section 123(4) of the Representation of the People Act, 1951 (Act 43 of 1951).

(15) That the persons named below whose names occur in the Electoral Roll for the 50—Kandi Assembly Constituency as finally published were dead on the date of election (i.e., on 20th February 1962) but false votes were recorded in their names:

They are—

Name of voters.	Part No. of the Electoral Roll.	Serial No. in Electoral Roll.

(12) Amir Sheikh	117	94
(13) Daud Sheikh	117	325
(14) Anima Mukherjee	55	7
(15) Anwar Sheikh	108	..

and many others.

That the result of the election in so far as it concerns the respondent as the returned candidate has also been materially affected by the reception of many other votes which were void under the Representation of the People Act, 1950 (Act 43 of 1950), Representation of the People Act, 1951 (Act 43 of 1951), and Rules and Orders made thereunder.

(16) That this petitioner begs to submit that the non-compliance with the provisions of the Representation of the People Act, 1951 (Act 43 of 1951), and Rules and Orders made thereunder, as set forth above, has materially affected the result of the election and has rendered the declaration made by the Returning Officer on 27th February 1962 regarding the election of the respondent to fill the seat from Kandi Assembly Constituency illegal and void.

(17) That this petitioner is enclosing herewith a Government Treasury Receipt showing that the deposit of Rs. 2,000 (Rupees two thousand only) has been duly made on 6th April 1962 by the petitioner in the Murshidabad Government Treasury, situated in Berhampore, in the district of Murshidabad, in favour of the Election Commission as security for costs of this petition.

(18) That this petitioner is filing herewith an affidavit in support of the allegations of "Corrupt Practices" and the particulars thereof as required by the proviso to section 83(1) of the Representation of the People Act, 1951 (Act 43 of 1951).

(19) That this petitioner submits herewith two copies of this petition, one copy for the respondent as there is only one respondent mentioned in the petition and another copy for the use of the Election Commission, all attested by this petitioner under his own signature to be true copies of this petition.

The humble petition of the abovenamed petitioner

Most respectfully sheweth:

1. That your petitioner is a citizen of India and a person whose age was at all material times above 25 years. Your petitioner is an elector as defined in section 2(e) of the Representation of the People Act, 1951 (hereinafter referred to as "the said Act"), and is, or was not subject to any of the disqualifications mentioned in section 16 of the Representation of the People Act, 1950. Your petitioner possesses all the qualifications necessary for membership of the State Legislative Assembly, prescribed by or under the Constitution of India, or in law made by the Parliament.

2. On February 18, 1962, the General Election of a Member of the State Legislature from Ausgram Legislative Assembly Constituency No. 229 in the district of Burdwan to the West Bengal Legislative Assembly was held.

3. The names of the abovenamed respondents were included in the appropriate Electoral Rolls as electors.

4. That your petitioner and the respondents Nos. 1 to 4 were the contesting candidates for election to the West Bengal Legislative Assembly from the said Constituency in Burdwan.

5. The symbols chosen by and allotted to your petitioner and the respondents under the Conduct of Election Rules, 1961, were as stated hereunder:—

Your petitioner Two bullocks with yoke on.

Respondent No. 1—Bicycle.

Respondent No. 2—Scale.

Respondent No. 3—Lion.

Respondent No. 4—Flower.

6. On February 25, 1962, the Returning Officer of the said Constituency declared the result of the said Election and returned the respondent No. 1 as duly elected. In the return of Election and the final result-sheet 8,700 valid votes were shown to have been polled in favour of the respondent No. 1; 6,337 in favour of the respondent No. 2; 4,324 in favour of the respondent No. 3; 626 in favour of the respondent No. 4; and 8,131 in favour of your petitioner. The respondent No. 1 thus purported to secure 569 votes more than those cast in favour of your petitioner.

7. Your petitioner states that the purported election of the respondent No. 1 is void and liable to be set aside inter-alia on the grounds that corrupt practices had been committed by him and/or his agent or agents or workers canvassing for him as also for improper rejection of votes, particulars of the said grounds are stated hereunder:

Particulars

I. That the respondent No. 1 in the furtherance of the prospects of his election caused publication in Damodar, a weekly journal having very wide circulation throughout the district of Burdwan, in its issue, dated January 5, 1961, the false allegation that the respondent No. 1 was well-known as "the leader of the goondas in Durgapur area", and by such false statement of fact, which the respondent No. 1 believed to be false or did not believe to be true, relating to the personal character of your petitioner misled many voters in the said constituency and dissuaded them from voting in favour of your petitioner. An English translation of the relevant news item published in the said weekly paper is annexed hereto and marked "A".

II. That for the furtherance of the prospects of his election the respondent No. 1 engaged one Abdul Kader Chaudhuri, a very influential Mahomedan gentleman of Suata within Ausgram police-station. The said Abdul Kader Chaudhuri was an active member of Indian National Congress in the district of Burdwan until about November 1961, after which

he revolted against the said political organisation, and being expelled therefrom joined its opponent camp. He had been systematically appealing from about December 1961 until the date of polling and even on the date of polling to the Mahomedan electorate of the said Constituency to refrain from voting in favour of the respondent No. 1 on the ground that the Congress Party had been pursuing anti-Muslim policy, and working on communal basis, as only two or three Mohamedans had been nominated to contest the General Elections from Burdwan district in the last two general elections and in the instant election, namely, the Third General Election, it had nominated only one Mahomedan candidate, and that too in the person of a sitting Minister to contest from a general seat to the State Legislature from the district and had also set the reactionary forces working for the defeat of even that Mahomedan candidate. Such acts of the Congress, the said Abdul Kader Chaudhuri, stated in a big religious assembly of the Mahomedans held on or about January 14, 1962 at Suata in honour of a Mohamedan Pir (religious preceptor) clearly amounted to expression of ill-feeling and hatred on the part of the members of the Congress Party towards the Mahomedans in general. A specimen of such evil propaganda will appear from a letter written by the said person on behalf of the respondent No. 1. A true English rendering of the said letter is annexed hereto and marked "B". By such false propaganda the Mahomedan electorate were induced not to vote for your petitioner who had been contesting the said election as a candidate supported and nominated by the Indian National Congress. The said Abdul Kader roused the communal feelings or sentiments of the Muslim voters of the said Constituency against your petitioner by systematically carrying on the false propaganda that the Congress was wedded to anti-Mahomedan policy and programme and that the votes in favour of your petitioner would mean votes against Islam and result in danger to Islam. The said Abdul Kader Chaudhuri had proposed the name of the respondent No. 1 in the nomination paper submitted on behalf of the respondent No. 1, and was also one of his counting agents. As a result of such appeals rousing the communal feelings and religious sentiments most of the Muslim electorate had been misled, and more particularly the Muslim electorate of villages Kanksa, Prayagpur, Kakora, Koucha, Hakona, Pubar, Shyamsundarpur, Suata, Kuata, Bishtupur, Bhuiara, Bhatkunda, Jamtara, and Pandu were induced to vote against your petitioner being carried away and influenced by communal feelings and religious sentiments for which the result of the said election had been materially affected.

III. That on 14th January 1962, at Panagarh Bazar in the Free Primary School ground at a meeting of the Leftist Party as well as of the independent candidates, there was an assemblage of about 1,000 persons, most of whom were Muslims. In the said meeting it was openly declared by one of the speakers Dr. Abdul Wahab of Burdwan town that the Congress Party had declared that if the Muslim voters would vote against the said party's candidate in the ensuing election they would be driven out of India and sent to Pakistan. By making the said false propaganda the religious feelings and dissatisfaction of the Muslim voters of the said constituency has been roused against your petitioner, a candidate nominated by the Congress. The said Dr. Abdul Wahab was a prominent active supporter of the respondent No. 1. The respondent No. 1 and/or his agents or workers or canvassers induced or attempted to induce in the manner aforesaid the Muslim voters of the said Constituency to believe that they would be driven out of India to Pakistan and so he was guilty of the corrupt practice of undue influence, which interfered directly or indirectly, or in any event, attempted to interfere with the free exercise of the right of voting of the Mohamedan voters of the said Constituency.

In another meeting held on 4th February 196 held at Panagarh Bazar on the local Free Primary School ground in mauza Kanksa, the respondent No. 1 himself delivered a speech in which he said that the Indian National Congress Party had been deliberately pursuing anti-Mahomedan policy, with a view to forcing them to leave India and to go to Pakistan. By the said false allegation and propaganda, many Mahomedan voters were induced on religious grounds to vote against your petitioner for which the result of the said election had been materially affected.

IV. That on the date of election at the instance of respondent No. 2, the Presiding Officer of Booth No. 229/38 at Bhatkunda, within police-station Ausgram, actively assisted the respondent No. 1 being influenced by the latter, and the respondent No. 1, by suggesting to the voters to put the mark on the middle portion of the Ballot Paper, and specially pointing out with finger the symbol of the respondent No. 2. The Polling Agent of your petitioner forthwith objected to the aforesaid procedure systematically adopted by the said Presiding Officer, pretending to acquaint the illiterate voters with the procedure or mode of casting votes. A petition was also filed before the said Presiding Officer protesting against the said procedure; and an English translation thereof is annexed hereto and marked "B (A)". It may be mentioned here that the symbol chosen by and allotted to your petitioner appeared in the first column of the Ballot Paper against his name, and so the Presiding Officer of the said Booth with the connivance of respondent Nos. 1 and 2 and/or their agents by adopting the contrivance as aforesaid induced or misled at least more than 150 illiterate voters to put the mark in the second column of the Ballot Paper. A telephonic message from the local post office at Mankar was sent during the polling hours to the District Magistrate of Burdwan, complaining about the said illegal acts of the said Presiding Officer on the same day at about 1-30 p.m.

V. That in Booth No. 229/28 at Panagarh Bazar the Presiding Officer, being influenced by one Prasanta Kumar Agasti, President, Kanksa Union Board, and a supporter and canvasser of the respondent No. 1 started Polling after 8 a.m. although many voters were waiting to record their votes in favour of your petitioner from before 7-30 a.m. The said polling station was also closed at 4 p.m., at least about half-an-hour before the appointed time. More than 200 voters who had arrived at the said Booth between 4 p.m. and 4-30 p.m. for voting in favour of your petitioner were not allowed to enter within the Booth and to cast their votes. Written protests against such illegal acts of the Presiding Officer done with the connivance

of respondent No. 1 and/or his agent had been made by a petition on behalf of your petitioner in writing by Shri Benoy Kumar Mukhopadhyaya but such petition was thrown away. Your petitioners' said supporter Shri Benoy Kumar Mukhopadhyaya was also driven away out of the Polling Booth on the threat of arrest or insult by the Police. As a result of the said illegal acts the votes of about 200 persons who were expected to vote in favour of your petitioner were not allowed to be recorded.

VI. That in Polling Booth No. 229/41 at Kota the respondent No. 1 and/or his agents apprehending and or knowing that most of the voters of that polling station would vote for your petitioner took up a fighting and threatening attitude against your petitioner's men, or workers and supporters and as a result thereof one Raman Nayar, an employee at Panagarh Military Reserve Base, engaged by the respondent No. 1 began to abuse filthily Shri Satyakinkar Mitra, a supporter and canvasser of your petitioner, and threatened other supporters of your petitioner with all kinds of violence. The said Raman Nayar acted at the instance of or in connivance with the respondent No. 1. By reason of the said acts of rowdysm and disorderly conduct on the part of the said Raman Nayar and other persons working for and on behalf of the respondent No. 1, a very large number of voters of the said area numbering about 200 who intended to support your petitioner were scared away and could not and did not enter the Polling Booth although they came to exercise their electorate right. In the premises, the respondent No. 1 and/or his agents and workers are guilty of the corrupt practice or undue influence inasmuch as he was responsible for threatening a large number of the electors, who were expected to support your petitioner with physical injury and thereby directly or indirectly interfered or attempted to interfere with the free exercise of the right of vote of the electorate at the said Polling Booth at Kota. Even after the polling the said Satyakinkar Mitra was stabbed on his leg by the said Raman Nayar and his associates.

VII. In another Polling Booth No. 229/42 at Kota there being no separate arrangement for the recording of votes of the male and female electors some persons, at the instance of the respondent No. 1 in a drunken state went inside the Polling Booth and created such an ugly situation that a large number of female voters numbering about 75 were scared away out of fear of violence. Three elderly ladies fainted for the rowdysm created by the drunken supporters of the respondent No 1. In the circumstances aforesaid many female voters who intended or were expected to cast votes in favour of your petitioner could not record their votes but had to come away.

VIII. That the respondent No. 2 and/or his supporters or agents carried on systematic appeal in Kota and Chandipur Danga to the Bagdis, Bauris, and Muchis, i.e., the people of the scheduled castes as also the Tribal people, who are all illiterates, before and also within 24 hours preceding the polling hours to refrain from voting for the Congress candidates. The said voters were entertained with country liquor by the supporters of the respondent No. 1, at the instance of the latter, and were thereby induced to vote in favour of the respondent No. 1.

IX. The respondent No. 1 obtained assistance from the Government servants, that is, the Presiding Officers at Polling Booths No. 229/38 at Bhatkunda and No. 229/28 at Panagarh Bazar with whom he and or his agents were familiar from before, and committed acts amounting to corrupt practices as mentioned above.

X That out of a total number of 2,700 rejected votes, about 2,000 votes appeared to have been cast in favour of your petitioner but the said Ballot Papers were improperly rejected.

XI. That as stated above if the voters of the said Polling Stations been allowed to exercise freely their electoral right your petitioner would certainly have been elected and returned. The result of election has thus been materially affected by corrupt and illegal practices as also undue influence, and there was no free election.

8. The Government treasury receipt showing deposit of Rs. 2,000 as security for costs of this petition is annexed hereto in original together with the five attested copies of this petition as required under the rules.

Your petitioner, therefore, prays that it be determined and declared that the respondent No. 1 Manoranjan Bakshi was not duly elected or returned, that his election was void, and that your petitioner be declared to have been duly elected and returned.

And your petitioner, as in duty bound, shall ever pray for it.

New Congress nominee for Ausgram Centre

Paragraph: It is learnt that the Congress is giving nomination for the Ausgram Centre to a new congressite, Shri Labanya Ghatak of Durgapur in place of Shri Tarapada Chowdhury. The news published in "Damodar" has come off to be partly true. Shri Ghatak is known to be a leader of the goondas of Durgapur area. At this centre, the Praja Socialist Party is understood to be supporting a locally popular young patriot, Shri Manoranjan Bakshi.

Sueta,
P.O. Amrargarh,
Burdwan.

As Sulam Alakum

As a question may arise in your mind as to why I left the Congress after remaining in it for these long days, I feel it necessary to explain the reasons.

Firstly, in the first General Elections after the country became independent, the Congress gave nominations to three Muslims from the district of Burdwan. In the second General Elections, two Muslims were given nominations by the Congress. But in the impending General Elections, only one person has been given nomination and it was because he is a Minister. Even after that, lest he wins, another Congressman has been made to stand against him so as to get him defeated. To remain attached with such an anti-Muslim District Congress would be an inconsiderate act and hence, as a protest, I have resigned.

Secondly, all the Congress workers of Kanksa and Ausgram Police Stations demanded for giving Congress nomination for the Ausgram Constituency to any person from the Ausgram Centre; but unfortunately, that demand was neglected by the District Congress, and my protest against the same is the second reason of my leaving the Congress.

Most of the Congress workers of those two police-stations are trying their heart and soul to get Shri Manoranjan Bakshi nominated and elected.

You are wise men and will consider the whole after with all your wisdom.

Yours sincerely,

To

The Presiding Officer of Bhatkunda Booth,
Ausgram police-station.

Sir,

It is my humble submission that after showing the three symbols you are conspiratorily giving directions to the voters to stamp in between the symbols Without showing upon the symbols, by saying "in between the pictures", the "Scale" is being meant At the directions of some of the local village-heads, you are being compelled to do so.

By giving such directions, partiality on a wide scale is being made.

No partiality has been shown—

Illegible.

I therefore pray that orders may kindly be issued to stop such illegal polling.

ELECTION COMMISSION, INDIA

NOTIFICATION

New Delhi, the 3rd May 1962.

No. 82/140/62.—In pursuance of the provisions of sub-section (1) of section 86 of the Representation of the People Act, 1951, the Election Commission hereby publishes a copy of the Election Petition No. 140 of 1962, presented to the Commission on the 11th April 1962, under section 81 of the said Act, by Shri Amalendra Lal Roy, son of Shashi Lal Roy, Kandi, post office and police-station Kandi, district Murshidabad, West Bengal, calling in question the election to the Legislative Assembly of the State of West Bengal from the Kandi constituency of that Assembly of Kumar Jagadish Chandra Sinha, son of late Birendra Chandra Sinha, Kandi Rajbati, post office and police-station Kandi, district Murshidabad, West Bengal.

Election Petition No. 140 of 1962

To THE ELECTION COMMISSION, INDIA,
1 Aurangzeb Road,
New Delhi.

In the matter of an election petition under the Representation of the People Act, 1951 (Act 43 of 1951)

And

In the matter of calling into the question the Election held in February 1962 for filling a seat in the West Bengal Legislative Assembly from 50 - Kandi Assembly Constituency and declaring the election of Kumar Jagadish Chandra Sinha as the returned candidate from the said Constituency to be void and further declaring that Amalendra Lal Roy has been duly elected to fill the seat in the West Bengal Legislative Assembly from 50--Kandi Assembly Constituency

And

In the matter of Amalendra Lal Roy, son of Shashi Lal Roy, of Kandi, post office and police-station Kandi, district Murshidabad, West Bengal, Petitioner.

versus

Kumar Jagadish Chandra Sinha, son of late Birendra Chandra Sinha, of Kandi Rajbati, post office and police-station Kandi, district Murshidabad, West Bengal, Respondent.

The humble petition of the aforesaid petitioner,

Most respectfully sheweth:

(1) That your petitioner is a voter in the 50—Kandi Assembly Constituency and his name appears in the Electoral Roll maintained for the said 50 -Kandi Assembly Constituency in Part 60, Serial No. 8, as finally published and that your petitioner offered himself as a candidate for election to fill a seat in the West Bengal Legislative Assembly from the said Constituency held on 20th February 1962.

(2) That the aforesaid respondent also offered himself as a candidate for a seat in the West Bengal Legislative Assembly from the same Constituency and was illegally declared as duly elected to fill the seat in the above Constituency by Shri N. K. Saha, Returning Officer of the said Constituency, on the 27th of February 1962.

(3) That on the 27th of February 1962 the date appointed for the counting of votes in the said 50—Kandi Assembly Constituency, after the completion of the counting of votes polled by this petitioner and the abovenamed respondent, the aforesaid

Returning Officer recorded in the Result-sheet in Form 20, the total number of votes polled by each candidate and announced the same, after which Shri Suhas Das, election agent of this petitioner, applied in writing to the said Returning Officer for a recount of all the ballot papers already counted, stating the grounds on which he demanded such recount (certified copy of the petition is filed herewith marked as Annexure A).

(4) That the said Returning Officer illegally rejected the prayer for recounting made at the appropriate time as required by rule 63(3) of the Conduct of Election Rules, 1961, on grounds which are bad both in facts as well as in law and assigned such reasons for this rejection which contravene the provisions of rule 63 of the Conduct of Election Rules, 1961, which deal with the "Recount of Votes".

That rule 63(1) of the Conduct of Election Rules, 1961, clearly lays down that a candidate or his election agent may apply in writing for a recount of all or any of the ballot papers already counted only after the completion of counting and the announcement of the total number of votes polled by each candidate by the Returning Officer and that the prayer of the election agent of this petitioner for recount was made in accordance with the provisions of the relevant rule.

That neither the Representation of the People Act, 1951, nor the Conduct of Election Rules, 1961, gives to any candidate, or his Election Agent, or counting agents any right or scope to raise any objection about the results of counting, or to demand a recount of all or any of the ballot papers already counted, at any earlier stage of counting of the ballot papers in any election, for any Assembly or Parliamentary Constituency before the completion of the counting of votes recorded in all the ballot papers, the recording in the result-sheet in Form 20 of the total number of votes polled by each candidate and the announcement of the same by the Returning Officer.

That the failure of this petitioner and his election agent to raise any objection at earlier stages of counting on the 27th of February 1962, the appointed date for counting of votes for the said 50—Kandi Assembly Constituency, and the fact that the application for recount was made on that date by the election agent of this petitioner only after the completion of the counting of all the ballot papers and announcements of the aggregated total of votes polled by each candidate, were assigned by the Returning Officer as the reasons for finding the prayer for recount as being unreasonable.

(A certified copy of the order passed by the Returning Officer on the application of Shri Suhas Das, Election Agent of this petitioner, on 27th February 1962 at 4-15 p.m. is attached herewith marked as Annexure B.)

(5) That the counting of votes for the said 50—Kandi Assembly Constituency started at 9 a.m. on 27th February 1962 and was completed at about 3-20 p.m. That 42,746 ballot papers (including 42,614 votes recorded at polling stations and 132 ballot papers sent by post) were scrutinised and counted within a very short period of six hours and 20 minutes (i.e., from 9 a.m. to 3-20 p.m.) very hurriedly without giving this petitioner and his counting agents sufficient opportunities of following the scrutiny and rejection of ballot papers and reception and counting of valid ballot papers and without leaving any time and scope for making objections regarding irregularities and illegalities committed during the very hurried procedure of counting.

(6) That the Returning Officer erred in law in following the procedure laid down in rule 56A of the Conduct of Election Rules, 1961, which is applicable only to the scrutiny and rejection of ballot papers in the counting of votes at notified polling stations under rule 59 of the said Rules, but is not applicable to the scrutiny and rejection of ballot papers in the present case.

(7) That the procedure adopted by the Returning Officer resulted in the improper reception, refusal or rejection of votes and reception of votes which are void, materially affecting the result of the election.

That if the votes are recounted and the validity of ballot papers is scrutinised legally and properly this petitioner will be found to have secured greater number of votes than the abovementioned respondent and will be found to have been duly elected to fill the seat in the Kandi Assembly Constituency.

(8) That excluding the postal ballot papers this petitioner is recorded to have polled 20,286 votes and the respondent 20,297 votes and there was thus a difference of very small margin of votes numbering only 11 (eleven) between this petitioner and the respondent in respect of votes recorded at polling stations. That the observation made by the Returning Officer ".....The margin between the candidates is not narrow inasmuch as there is a difference of 94 votes....." is not substantially correct, because the number of votes recorded by postal ballots as well as the recorded overall difference of 94 votes between the petitioner and the respondent is only a fractional percentage of the total number of votes polled.

(9) That after the rejection of the prayer of recount and the passing of his order on it at 4-15 p.m. the said Returning Officer completed and signed the Final Result-sheet in Form 20 and thereafter illegally declared the abovementioned respondent as duly elected to fill the seat in the West Bengal Legislative Assembly from the 50—Kandi Assembly Constituency.

(A certified copy of the declaration of election to the West Bengal Legislative Assembly, 50—Kandi Assembly Constituency, is filed herewith marked as Annexure C.)

(10) That the voting in the election for the 50—Kandi Assembly Constituency was very close as between this petitioner and the respondent inasmuch as the respondent is recorded to have won by a very narrow margin of votes and that there are as set forth above good grounds to believe that the counting of the ballot papers was not in order and that the final figures as noted by the Returning Officer have been affected by miscount on his part and that it is therefore highly desirable to have a recount in this case for the ends of justice.

(11) That the abovenamed respondent fought the election in the 50—Kandi Assembly Constituency as a Congress candidate with "Two bullocks with yoke on" as his election symbol.

That this petitioner fought the election in the same Constituency as a candidate sponsored by the Revolutionary Socialist Party, known in abbreviation as R.S.P., with "Spade and Stoker" as his election symbol. He is also the Secretary to the Murshidabad District Committee of R.S.P.

(12) That the respondent filed 4 (four) nomination papers one of which was proposed by Shri Madan Sinha, a resident of Kandi, one of the Secretaries of the Murshidabad District Congress Committee, and a prominent leader of Kandi Congress, as also the editor of the Weekly newspaper "Amader Patrika" (আমাদের পত্রিকা) published from Kandi having considerable circulation in the Kandi Assembly Constituency.

That the said Madan Sinha is not only a member of the Congress organisation in Kandi, he was as such very intimately and actively connected with the conduct of the election campaign of the respondent and with the carrying on propaganda in the 50—Kandi Assembly Constituency, for furthering the latter's election prospects and candidature and against the candidature of this petitioner and against his party, the Revolutionary Socialist Party, i.e., R.S.P.

That the said Madan Sinha canvassed votes on behalf of the Respondent and published propaganda materials in favour of his candidature through the said Weekly paper "Amader Patrika"(আমাদের পত্রিকা)

(13) That at page 3 of the said "Amader Patrika", dated 24th Magh 1368 B.S., corresponding to 7th February 1962, the following publication was made by the aforesaid Madan Sinha with the consent of the respondent, viz.:—

আর-এস্-পিকে কেন ভোট দিব না?

—জনৈক ভোটার

যে বামপন্থী মোর্চ্চার বড় শরিক কম্যুনিষ্ট পার্টি চীন কর্ত্তৃক ভারত ভুখণ্ডের জবর দখল সম্বন্ধে প্রতিবাদ করে না, অমলবাবু সেই বামপন্থী জোটের মেজ শরিক 'আর-এস্-পি'র প্রার্থী। 'আর-এস্-পি' দিনের আলো সহ্য করতে পারে না। এখনও অমলবাবু এবং তাঁর পার্টির মতে 'এ আজাদী ঝুটা হ্যায়'।

কম্যুনিষ্ট পার্টি প্রবল জনমতের চাপে রাষ্ট্রীয় উৎসব উপলক্ষ্যে দলীয় পতাকার সঙ্গে রাষ্ট্রীয় পতাকা উত্তোলন করতে বাধ্য হয়েছে। কিন্তু অমলবাবুর পার্টি আজও জনমতের তোয়াক্কা করে না, রাষ্ট্রীয় পতাকার প্রতি সম্মান দেখায় না।

অমলবাবু কান্দী মহকুমার সন্তান নন। এই মহকুমার সুখ-দুঃখের সঙ্গে তাঁর অন্তরের যোগ নাই।

অমলবাবু বা তাঁর পার্টির জনকল্যাণের ক্ষেত্রে কোন অবদান নাই।

বামপন্থী জোটের পথে অদূর ভবিষ্যতে বিকল্প সরকার গঠন করা সম্ভব হবে না। সুতরাং অমলবাবুকে ভোট দিলে তা জলে ফেলে দেওয়ার সমতুল্য হবে।

আমাদের বন্যাবিধ্বস্ত অর্থনীতির দ্রুত পুনর্গঠন ও উন্নয়নের জন্য এমন প্রতিনিধি নির্বাচনের প্রয়োজন যাঁর মন্ত্রী হবার সমধিক সম্ভাবনা আছে। যদিও বা বামপন্থী মোর্চ্চা আইনসভায় সংখ্যা গরিষ্ঠতা লাভ করে এবং যদি বা অমলবাবু নির্ব্বাচিত হন তথাপি তিনি বামপন্থী সরকারের মন্ত্রিসভায় কোন ঠাঁই পাবেন না। অমলবাবু নির্ব্বাচিত হলে কান্দী নির্ব্বাচক মণ্ডলীর তথা কান্দী মহকুমার বিন্দুমাত্র উপকার হবে না।

কংগ্রেসকে কেন ভোট দিব?

জগদীশবাবু নির্ব্বাচিত হলে তাঁর আসন মন্ত্রীসভায় সুনিশ্চিত। এর ফলে গত দু'টি প্রলয়ঙ্করী বন্যায় বিধ্বস্ত কান্দী মহকুমার অর্থনৈতিক পুনর্গঠন ত্বরান্বিত হবে।

That the aforesaid publication constitutes an appeal by the said Madan Sinha with the consent of the respondent to vote for the latter and to refrain from voting for this petitioner by a reference to "National Symbols" such as the "National Flag" for the furtherance of the prospects of the election of the respondent and for prejudicially affecting the election of this petitioner. As such it comes within the purview of "Corrupt Practices" as defined in section 123(3) of the Representation of the People Act, 1951 (Act 43 of 1951), and is therefore sufficient to make the election of the respondent void.

That the aforesaid publication is also a statement of fact which is false and which the said Madan Sinha believes to be false and does not believe to be true, in relation to the personal character and conduct of this petitioner reasonably calculated to prejudice the prospects of this petitioner's election and comes with the purview of "Corrupt Practices" as defined in section 123(3) of the Representation of People Act, 1951 (Act 43 of 1951), and is as such sufficient to make the election of the respondent void.

(14) That at the same page of the same paper in column 1 (bottom) the same person wrote under his own signature with the consent of the Respondent:

That this publication is a statement of fact, in relation to the personal character or conduct of this petitioner and his candidature, which is false and which the said Madan Sinha believes to be false and which he does not believe to be true, and has materially prejudiced the prospects of this petitioner's election.

That the said publication comes within the mischief of section 123(4) of the Representation of the People Act, 1951 (Act 43 of 1951).

(15) That the persons named below whose names occur in the Electoral Roll for the 50—Kandi Assembly Constituency as finally published were dead on the date of election (i.e., on 20th February 1962) but false votes were recorded in their names:

(14) Anima Mukherjee	55	7
(15) Anwar Sheikh	108	..

and many others.

That the result of the election in so far as it concerns the respondent as the returned candidate has also been materially affected by the reception of many other votes which were void under the Representation of the People Act, 1950 (Act 43 of 1950), Representation of the People Act, 1951 (Act 43 of 1951), and Rules and Orders made thereunder.

(16) That this petitioner begs to submit that the non-compliance with the provisions of the Representation of the People Act, 1951 (Act 43 of 1951), and Rules and Orders made thereunder, as set forth above, has materially affected the result of the election and has rendered the declaration made by the Returning Officer on 27th February 1962 regarding the election of the respondent to fill the seat from Kandi Assembly Constituency illegal and void.

(17) That this petitioner is enclosing herewith a Government Treasury Receipt showing that the deposit of Rs. 2,000 (Rupees two thousand only) has been duly made on 6th April 1962 by the petitioner in the Murshidabad Government Treasury, situated in Berhampore, in the district of Murshidabad, in favour of the Election Commission as security for costs of this petition.

(vii) such further and other orders as may be deemed necessary for the ends of justice in this case.

9. That the respondent No. 1, the said Sm. Maya Banerjee, directly benefited from the religious propaganda against the Communist Party and its candidate the petitioner carried on through the aforesaid booklet published by the said Binoy Roy.

10. That the systematic religious propaganda with the help of the aforesaid booklet and also without it by the Congress Party on behalf of its candidate in the last General Election the said Sm. Maya Banerjee against the Communist Party and its candidate the petitioner to the effect that the latter were atheist, heathen, irreligious and determined to enterminate all religious faiths exercised undue influence on the entire electorate of Kakdwip Assembly Constituency and interfered with the free exercise of their electoral right by the voters of the said constituency and, not only constituted a systematic appeal to the electorate by the respondent No. 1 and/or her agent and/or other persons with her consent, but also induced the electors of Kakdwip Assembly Constituency to believe that they will become, or be rendered, an object of divine displeasure or spiritual censure if they voted for the petitioner being a Communist candidate.

11. That "Janasevak" is a daily published by the West Bengal Congress Committee and it is a press organ of the Congress Party in Bengal and it worked and made propaganda for Congress candidates including the respondent No. 1 for election to the Assembly in the last General Elections and its services were accepted by the respondent No. 1, the said Sm. Maya Banerjee.

12. That in its issues of 30th January 1962, 31st January 1962 and 2nd February 1962 the said "Janasevak" carried a false news calculated to prejudice the election prospects of the petitioner to the effect that the Communist Party members and workers of Kakdwip Assembly Constituency had hung a garland of shoes round the portrait of Mahatma Gandhi, father of the Nation.

13. That the said "Janasevak", the Congress daily, published the said news knowing it to be false in order directly to further the election prospects of the respondent No. 1, the said Sm. Maya Banerjee, and dampen the prospects of the petitioner.

14. That an enquiry was held into the truth of the said allegation about insulting the memory of late Mahatma Gandhi by the Subdivisional Police Officer who found the aforesaid allegation to be completely false.

15. That the publication of the aforesaid false allegation about insult to Gandhiji by "Janasevak", the Congress daily, which worked for, and made propaganda for, the respondent No. 1, the said Sm. Maya Banerjee, was a flagrantly corrupt practice that has vitiated the entire election.

16. The respondent No. 1, the said Sm. Maya Banerjee, who was a Deputy Minister in the State of West Bengal at the time of the elections used State machinery to prejudice the prospects of the petitioner and further her own prospects and caused the Presiding Officers who are Government Officers not to accept Polling Agents appointed by the petitioner's election agent in several polling stations such as Kusumtala Baliara F. P. School.

17. The petitioner has reason to believe that the respondent No. 1, the said Sm. Maya Banerjee, had large-scale preparations to cast false votes in the polling stations wherefrom the petitioner's polling agents were excluded and, to facilitate casting of such false votes, influenced the Presiding Officers who are Government officers and caused them not to accept the appointment of the polling agents appointed on behalf of the petitioner by the petitioner's election agent.

18. That the respondent No. 1, the said Sm. Maya Banerjee used her position as Deputy Minister of State, to influence and corrupt Government officers entrusted with the conduct of the election in Kakdwip Assembly Constituency in order to further her own election prospects and prejudice the prospects of the petitioner.

19. That the respondent No. 1, the said Sm. Maya Banerjee, employed a large number of goondas to terrorise the electorate of Kakdwip Assembly Constituency in order that the latter may not truly exercise their electoral right. One such glaring instance of terrorisation happened on the 1st January 1962 when in the afternoon Mr. Jyoti Basu, leader of the opposition in the West Bengal Legislative Assembly, and Mr. S. Roy, M.L.A., were to address prearranged election meetings at Kakdwip in favour of the petitioner and, to terrorise the people, the goondas employed by the respondent No. 1 burnt the effigies of Mr. Roy and Mr. Basu and, when Mr. Roy and Mr. Basu arrived they were greeted with black flags and their paths were obstructed in the sight of the Police by the said goondas who openly brandished daggers and bombs. They disturbed the meetings addressed by Mr. Jyoti Basu and Mr. S. Roy. A General Diary entry was made in the Kakdwip police-station on 1st and 2nd February 1962 complaining against the aforesaid incidents.

20. That the respondent No. 1, the said Sm. Maya Banerjee, hired and/or procured the launch "Urmila" to carry voters of Debnagar Dakhinpara to the Medanganj Polling Booth across and along the river in order that they might vote for the said respondent No. 1.

True copy of petition of protest in Bengali that was made in this connection by Shri Prafulla Kumar Gole, Polling Agent of Dr. Gobardhan Dingal, the respondent No. 2, is annexed herewith and marked A.

21. That Sundarban Janakalyan Sangha is an organisation of the Congress Party and directly made propaganda in favour of the respondent No. 1, the said Sm. Maya Banerjee. In order to unduly influence the electors of the area and interfere with the free exercise of their electoral right, the respondent No. 1, the said Sm. Maya Banerjee, made a gift of the sum of Rs. 1,000 to the Ganeshnagar Junior High School ostensibly towards the building funds of the School on behalf of the said Sundarban Janakalyan Sangha which is an organisation of the Congress and which directly participated in election campaign in favour of the respondent No. 1, the said Sm. Maya Banerjee. Copy of a notice that was issued in Bengali is annexed herewith and marked B.

22. The said Ganeshnagar Junior High School is situated in Kakdwip Assembly Constituency and serve the interest of a large number of electors of the said Assembly constituency and the said gift of the sum of Rs. 1,000 towards the building funds of the said Ganeshnagar Junior High School is a corrupt practice within the meaning of section 123(1) of the Representation of the People Act of 1951 calculated

directly or indirectly to induce the electors of the area to vote for Sm. Maya Banerjee, the respondent No. 1.

23. That the respondent No. 1, the said Sm. Maya Banerjee, who was a Deputy Minister at the time of the elections, directly employed State machinery in her favour and commandeered and requisitioned the vehicles and launches of the Departments of Irrigation, Fishery, Forest, etc. She also used the car allotted to her for discharge of her functions as Deputy Minister for her election purpose against the provisions of section 123(5) of the said Representation of the People Act of 1951 as well as section 123(7) of the said Act.

24. That, in order to terrorise the electors of Kakdwip Assembly Constituency, the respondent No. 1, the said Sm. Maya Banerjee, always used to be escorted by the Police wherever and whenever she moved and, by getting such Police escort for herself, the respondent No. 1, the said Sm. Maya Banerjee, sought to terrorise and overwhelm the electors by her official position and power.

25. That in the Budhakali booth where the petitioner was getting overwhelming support the respondent No. 1, the said Sm. Maya Banerjee, used her position as Deputy Minister to stop the polling for about half an hour by creating a row on the false allegation that the Presiding Officer was supporting the petitioner and, due to that action of the respondent No. 1 the electorate became scared and went away and the majority in favour of the petitioner dwindled.

26. That large scale corrupt practices were resorted to is evident from the facts (a) that Congress specimen ballot papers were found within the Ballot Box, (b) Assembly ballot papers 127295 and 163109 allotted for booths 95/23 and 95/69 were found missing, (c) Similarly many other ballot papers were found missing as would be borne out by the records of the election.

27. That respondent No. 1, the said Sm. Maya Banerjee, used her position as Deputy Minister to get one Abdul Hamid, a Government Contractor of Magrahat, assaulted, restrained and arrested on 13th February 1962 and sent illegally under arrest to the Magistrate through Sagar Police though ultimately the learned Magistrate discharged him and such unlawful action by Sm. Banerjee, the respondent, created panic among the Muslim of Sagar and prejudicated the interests of the petitioner.

28. That respondent No. 1, the said Sm. Maya Banerjee, caused meetings of Muslims to be addressed by the 'Pir' who appealed to the Muslims on ground of religion to vote against the Communist Party candidate and for the Congress. The said respondent No. 1, Sm. Maya Banerjee, circulated and caused to be circulated reprints by Shri Benoy Roy, Secretary of Propaganda Sub-Committee of the West Bengal Congress, of a communal appeal to Muslims to vote to save their religion against Communist Party and for Congress.

29. That the respondent No. 1, the said Sm. Maya Banerjee, supplied, and caused supply of, Burquas to the Muslim women to induce them by this gift to vote for the respondent No. 1, the said Sm. Maya Banerjee.

30. That the respondent No. 1, the said Sm. Maya Banerjee, supplied blank application forms for recruitment to services in the Refugee and Rehabilitation Department to the young people and promised them jobs if they voted for the Congress and worked for the Congress.

31. That the petitioner craves leave at the time of hearing to prove other corrupt practices resorted to by the respondent No. 1.

32. That due to the aforesaid corrupt practices resorted to by the respondent No. 1, the said Sm. Maya Banerjee, the entire election has became vitiated and void.

33. That but for the votes obtained by the returned candidate the said Sm. Maya Banerjee, by corrupt practices the petitioner would have obtained a majority of the valid votes.

In the circumstances, the petitioner prays for an order:

(a) for appointment of an Election Tribunal for hearing the petition,

(b) for a declaration that the election of the returned candidate the respondent No. 1 is void and that the petitioner has been duly elected,

(c) for such further order or orders as to this Tribunal may seem fit and proper,

And your petitioner as in duty bound shall ever pray.
